

# City to Host Open House for Transportation & Mobility Master Plan

**Wednesday, December 11, 2019**

11:30am-1:00pm and 5:30pm-7:00pm with formal presentations at 12:00pm and 6:00pm

Memorial Hall  
606 Manitou Ave  
Manitou Springs, CO 80829

Through a collaborative effort, the City of Manitou Springs, City of Colorado Springs, and the Pikes Peak Cog Railway have undertaken a study to identify opportunities and address improvements that will enhance mobility within the City and connections to adjoining regional areas and transportation systems. The Transportation & Mobility Master Plan Study is expected to advance and evolve community goals identified in Plan Manitou and align with planning/design efforts of other mobility projects.

Manitou Springs residents, business owners, and other stakeholders are encouraged to attend the last community conversation for the Transportation & Mobility Master Plan before final recommendations are made to City Council in January 2020. The final plan will encompass all mobility throughout the City. This is the third community workshop for the plan and will focus on sharing recommendations ranging from expanded transit service; to improving streets; enhanced parking; and pedestrian/bicycle/multi-modal improvements. The project team will be on hand to answer questions.

The Mobility Open House is from 11:30am-1pm and again from 5:30pm-7pm. The Project Team will be available for general review and discussion, and there will be formal presentations at 12:00pm and 6:00pm.

*The meeting location is wheelchair accessible. In accordance with the ADA this meeting will be held in an accessible location, anyone requiring an auxiliary aid to participate in the meeting should make the request as soon as possible, but no later than 48 hours before the scheduled event. Please contact the City Clerk's office at 719-685-2554.*
