**I HAVE READ AND AGREE TO THE FOLLOWING:**

1. The acceptance and/or use of the parking permits issued by the City of Manitou Springs constitutes acceptance of the fact that neither the City of Manitou Springs or its agents have any responsibility for theft or damage to the vehicle or its contents from any cause whatsoever.
2. A permit does not guarantee the availability of a parking space, but it grants the privilege of parking in a specified area when space is available.
3. It is the responsibility of the permit holder to ensure that the permit is displayed on the inside rearview mirror with the front of the permit facing out.
4. Permits are valid only for the lots specified on the face of the permit.
5. The City reserves the right to interrupt routine parking patterns and may temporarily displace patrons from their normal parking lots.
6. Parking for longer than a 72-hour period is not permitted and may result in a citation and/or the permit holder's vehicle being impounded.
7. Purchasers of permits are prohibited from reselling their permits.
8. Lost or stolen permits must be reported to the City immediately. Permits may only be voided and replaced when the permit number is provided. A replacement fee may apply.
9. Alteration of a permit in any way will render it null and void. Altered permits will not be honored or replaced.
10. Some parking lots are in or close to residential areas. Permit holders are expected to respect the privacy and quiet of neighbors.
11. The City reserves the right to revoke parking privileges without refund for violating this agreement.
12. By signing below I agree that all users for which I have purchased permits understand and agree to these terms.
