Hiawatha Gardens Community Meeting Information:

Hiawatha Gardens represents a transformational opportunity for Manitou Springs. The property could be a hub for all kinds of connections... a community gathering spot, a transportation center, a focal point for our cultural, historical and environmental assets, a welcoming portal for our visitors. The possibilities are exciting. In order to start the process of figuring these possibilities out together, we are hosting a community meeting in Memorial Hall at City Hall (606 Manitou Avenue) on Thursday, 9/20, from 5:30-7pm and we would love your attendance and participation. We will begin with a short overview of the Hiawatha Gardens project and how this project relates to concurrent projects around our City. Community members will then have the opportunity to visit various display stations that will explain in more detail what the engagement process looks like for Hiawatha Gardens, it's history, and what we currently know about the site. Finally, we will gather your initial thoughts about the site- what excites you, what concerns you, and what additional information you would like to have. We will be offering tours of the ballroom area of the building from 4-5pm on 9/20 prior to the meeting. If you are interested in a tour of the ballroom area of the building, please email Meghan at mweiss@comsgov.com to sign up!

Sincerely,

Meghan Weiss & The Hiawatha Gardens Community Task Force
