City Council Approves Ordinance 1120 to Extend the Hours of Operation for Medical Marijuana Centers and Retail Marijuana Stores Until Midnight

MANITOU SPRINGS CO – On August 4th, 2020, Ordinance 1120 was passed by the Manitou Springs City Council without modification. This Ordinance extends the hours of operation for medical marijuana centers and retail marijuana stores until midnight. This ordinance will go into effect 5 days after publication, and was published on our website yesterday, and published in the Pikes Peak Bulletin today. The expected timeframe is for the Ordinance to go into effect within the next 4-6 days.

Please note, this Ordinance only allows for the stores/centers to extend their hours if they choose to do so. The decision on whether the businesses would like to extend their hours is up to each individual business.

Each business will notify our planning department of any anticipated changes, as well as post the hours of their facilities accurately online and at their establishment.

Our planning department and police department will be monitoring any community impacts of the extended hours, as well as calls to our police department regarding late night activity.

Additionally, we would like to thank our residents and businesses for their input during this process.
