Creek Walk Trail Construction and Improvements Beginning April 24, 2023

MANITOU SPRINGS CO – Creek Walk Trail construction will soon begin, resulting in a 10-foot-wide multi-use concrete trail with grade and slope improvements! The construction will begin the week of April 24th and are for the trail area that spans from the Manitou Springs Pool & Fitness Center to Mayfair.

During the construction period, the affected trail area will be closed and users will be detoured onto Manitou Ave. to allow the contractor enough room to efficiently and safely work. This project is part of the Creek Walk Trail Master Plan and continues building a 10' wide multi-use trail through Manitou Springs. Construction is expected to take 12 weeks to complete.
